

How to log into E-resources

Accessing E-Resources

You can access E-resources through the Library website – from the Library Catalogue, the Online Library or Summon.

When you are asked to log in to a resource, look for the Institutional Login link on the resource provider's site – it may be called:

- UK Federation login
- Institutional login
- Shibboleth login
- Academic sign in
- Home Organisation

Once you have clicked on the link, select University of Surrey (or UK Federation followed by University of Surrey). You will be directed to the University of Surrey login page:
